

Jr. Folk School

Learn an instrument and play in a band! The Jalopy Jr. Folk School teaches fiddle, banjo, guitar and ukulele. We make learning an instrument fun and approachable with a light-hearted, song-based learning style. Students 6-14 years old begin learning and singing songs immediately. Join our afterschool and summer camp programs!

Parties

Jalopy is the perfect place to create the birthday party of your child's dreams. Host a dance party or a puppet show, have an old-time square dance, or throw a holiday themed party. We also offer catering through Jalopy Tavern! At \$150/hr the space includes:

- A bartender / staff member on hand to manage the space.
- Access to the soundboard and stage for music and/or entertainment
- Access to the beer, wine, coffee & soda bar

Family Music Shows

Jalopy is your family entertainment destination! The first Sunday of the month features Little Laffs, a children's variety show with magicians, balloon twisters, and live music. Come to the family sing-a-longs, see a musician, or drop in for children's dance or music workshops. See our calendar for the schedule of events.
